News 2008/09

New ranges of plain bearing and ball bearing blocks:

- > New design.
- > Available with sheaves: 35, 45, 55, 70.
- > See page 3 for part numbers and prices.

Wichard Jacklinge Lyf'Safe.

Ett kraftigt UV-skyddat säkerhetsband i Polyester. Monteras långskepps. Appliceras utan schacklar vid padeyes, pull/pushpit, knapar m.m. Livlinan är reflekterande, vilket underlättar vid kvälls/nattsegling. OBS! 2 st band i varje förpackning.

- 490W-00-7051 Längd 8,5 m x 2, brottgräns 3000 kg - pris/förp. SEK 1233
- 490W-00-7052 Längd 11 m x 2, brottgräns 3000 kg - pris/förp. SEK 1396
- 490W-00-7053 Längd 14 m x 2, brottgräns 3000 kg - pris/förp. SEK 1581

Prefeeder

This patented product has been especially designed for racing yachts. It offers the possibility of easy opening and closing during a headsail hoist, and allows the luff line to be re-inserted, at any height, it is particularly useful in the case of an accidental disengagement. When correctly positioned below the forestay foil or furler feeder, it ensures a quick and efficient guide for the headsail luff.
